FULL MOTION TV WALL MOUNT

FEATURES

FLEXIBILITY OF FULL MOTION.

The VLM-5500 swivels up to 120° and tilts -5° to +10°. Being fully adjustable, you can angle your TV to suit your viewing position as well as providing clear access to the rear of your TV for cables and power connections.

EASY INSTALLATION.

The wide wall plate spans 600mm studs for a secure mount. The TV can also be perfectly positioned as you can shift the mounting point laterally along the wall plate. Other great installation features include the -3° to +3° level adjustment, cable management and having all the screws and hardware included.

PACKAGE INCLUDES

Two vertical mounting rails, fully assembled full motion TV wall mount, mounting hardware and assembly instructions.
