CANOHM

VCL-100

Telescopic TV Ceiling Mount

Features

Ceiling Mount for LCD Screens with tilt, adjustable length pole and cable management.

Enjoy the many benefits of mounting your flat panel screen on the ceiling. A single elegant pole, which also conceals the cables, is all you will see behind your screen. Ideal for both private homes and commercial premises alike. Easy to install and adjust to your desired height.

Easily attaches to most 10" to 42" (25 to 107cm) LCD screens weighing up to 30kgs using the supplied hardware kit and without the need for special tools.

Strong and Attractive. Heavy gauge steel construction is powder coated in an attractive black finish. The stylish and unobtrusive design fits easily into any environment.

Quality. The Ezymount VCL-100 Wall Bracket is made from quality materials and is covered by a ten year warranty.

Package includes

Ceiling mount plate, plastic ceiling plate cover, adjustable length pole, tilting interface (max VESA 200x200mm), mounting hardware and installation instructions.
