VLM-1100

Tilt & Turn LCD TV Wall Mount

Features

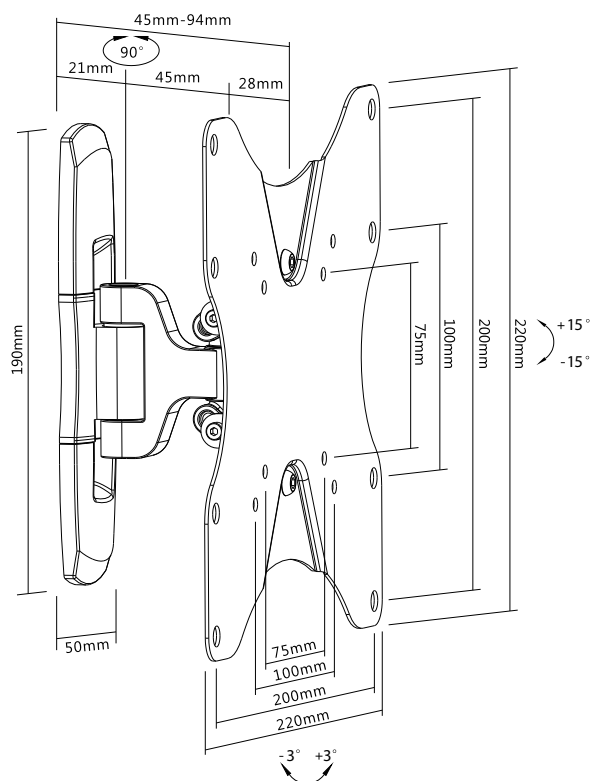

Enjoy the many benefits of mounting your flat panel screen on the wall. Ideal for both private homes and commercial premises alike. Easy to install, the VLM-1100 features a quick release mechanism to allow installation and removal of the screen in seconds. Complete with an elegant combination of tilt and two pivot swivel adjustments, the VLM-1100 allows the screen to be positioned flat or with up to 15° tilt.

Strong and Attractive. Easily attaches to most 23" to 42" (58 to 107cm) LED / LCD screens weighing up to 20kgs using the supplied hardware kit and without the need for special tools. Solid die cast aluminium construction is powder coated in an attractive black finish. The unobtrusive design fits easily into any environment.

Quality. The Venturi VLM-1100 Wall Bracket is made from quality materials and is covered by a ten year warranty.

Package includes

Wall mount plate assembled with adjustable reach arms, tilting screen plate, quality mounting hardware and installation instructions.
