VLM-2200

Tilt & Turn LCD TV Wall Mount

Features

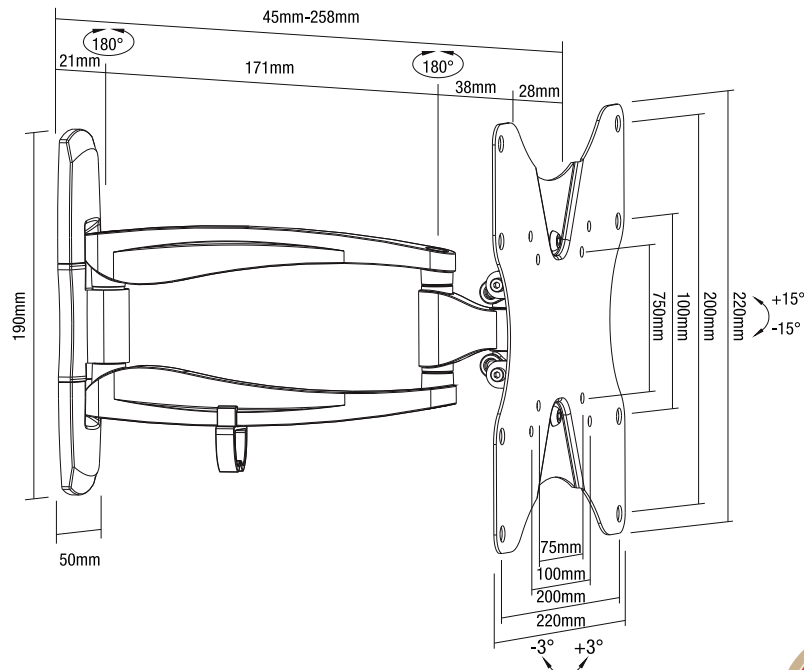

Enjoy the many benefits of mounting your flat panel screen on the wall. Ideal for both private homes and commercial premises alike. Easy to install, the VLM-2200 features a quick release mechanism to allow installation and removal of the screen in seconds. Complete with an elegant combination of two arms and tilt and swivel adjustments, the VLM-2200 allows the screen to be viewed from a variety of angles.

Strong and Attractive. Easily attaches to most 23" to 42" (58 to 107cm) LED / LCD screens weighing up to 20kgs using the supplied hardware kit and without the need for special tools. Solid die cast aluminium construction is powder coated in an attractive black finish. The unobtrusive design fits easily into any environment.

Quality. The Venturi VLM-2200 Wall Bracket is made from quality materials and is covered by a ten year warranty

Package includes

Wall mount plate assembled with adjustable reach arms, tilting screen plate, quality mounting hardware and installation instructions.
