Impressive audio that turns with your TV

TVs are becoming thinner and lighter. This is at the expense of the sound quality. This, however, will not be an issue thanks to the SoundMount™. This TV bracket combines our high-end swivelling wall support (Vogel's DesignMount) with an built-in sound bar (including a wireless subwoofer). You can enjoy the best picture and audio from every place in a room with this.

All-in-one: swivelling wall bracket + built-in sound bar + wireless subwoofer

The SoundMount (NEXT 8365) is a unique wall bracket with built-in sound bar. Use it to optimise your viewing and listening experience with one elegant solution. This product guarantees impressive sound quality that turns with your TV and makes your films and music come alive.
