

## PPC 2500 Projector ceiling mount

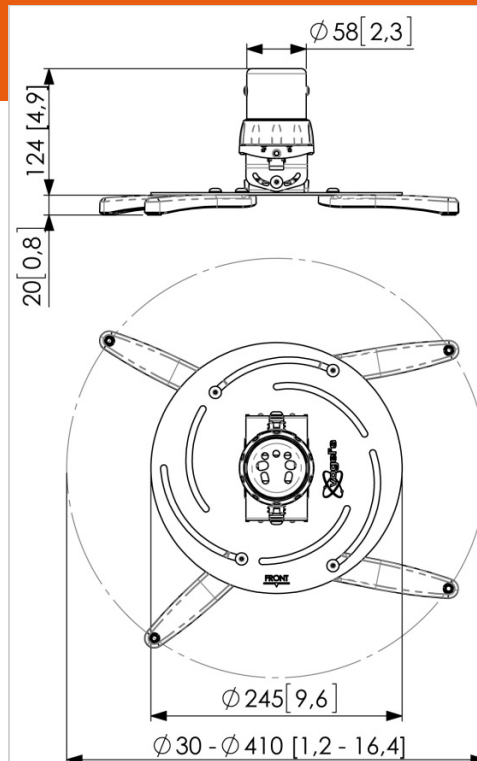

Article number (SKU) 7025004  
Colour Silver

### Key benefits

- Cables fully concealed
- Fine tuning during installation
- Theft prevention
- TÜV certified

The PPC 2500 projector mount is specially designed for the new generation projectors up to 25 kg. This projector interface is equipped with a unique fine tune adjustability for precise alignment with the projection surface. Once aligned, the projector stays in position.

Turning the special friction ring will eliminate all play from the interface connections, making the mount a stiff and very stable solution.
