

SOUND 5201 Speaker Wall Mount for Denon HEOS 1 (black)

Article number (SKU) 8155210
 Colour Black

Key benefits

- Create the best listening position
- Easily adjust your speaker angle with one hand
- Integrated extension power cord
- Integrated spirit level

Get more out of your Denon HEOS 1

Integrate your Denon HEOS 1 speaker seamlessly into your interior design by mounting it anywhere on your wall with the Vogel's SOUND 5201 wall bracket. Mount the bracket high or low, out of sight or in plain view - the wide turn (70°) and tilt (30° up and down) capacity make sure that you can always angle your speaker to sound best.

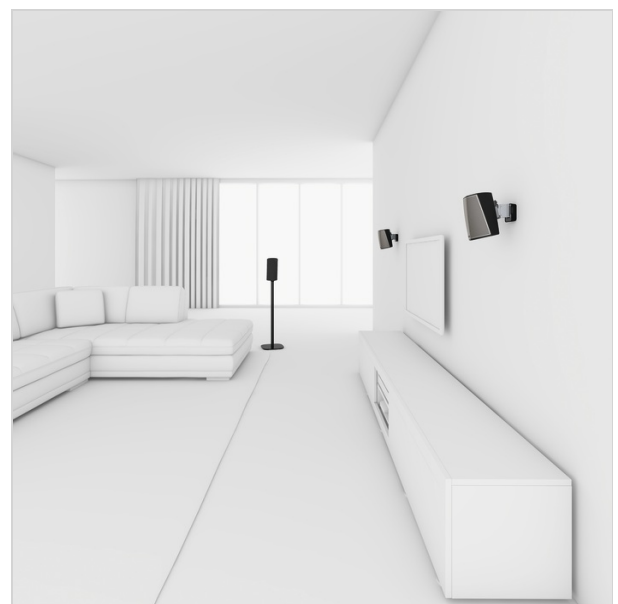

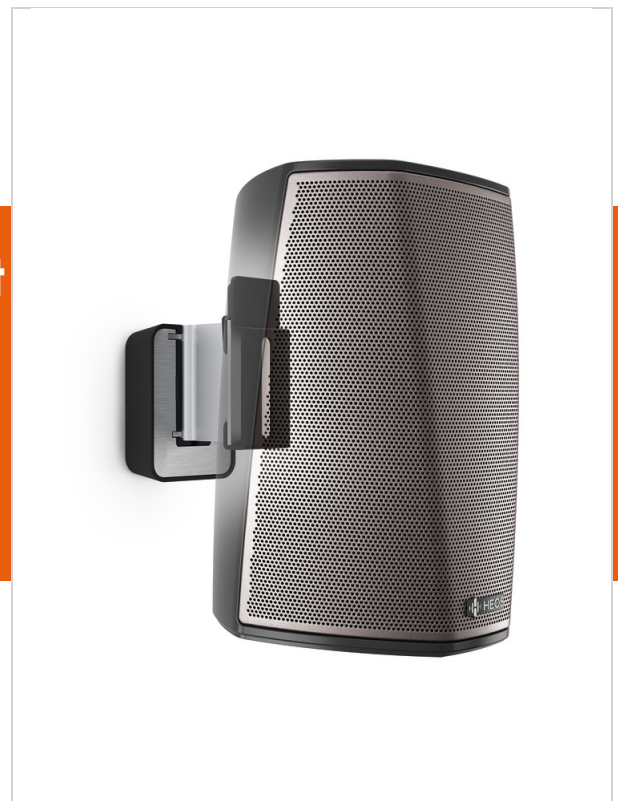

This low-profile speaker bracket provides secure support for your Denon HEOS 1 and comes in black or white to match the colour of your speaker. Installing the bracket perfectly straight is a breeze, thanks to the integrated spirit level.

Angle your speaker so it sounds best

The Vogel's wall mount for your Denon HEOS 1 helps you save space while still creating the best listening position. Easily adjust your speaker angle with one hand, and immerse yourself in music like never before.

Are you looking for more positioning flexibility, without drilling holes? Vogel's also offers a floor stand for Denon HEOS 1.

Vogel's speaker wall mounts and floor stands are also available for Denon HEOS 3 speakers.
