

NEO C-HD

USB-C to 4K @ 60Hz HDMI adaptor

HDMI adaptor for Next-gen devices

The USB-C to 4K @ 60Hz HDMI adaptor lets you instantly enjoy your content in 4K Ultra-high definition resolution on the big screen.

Enhanced 4K @ 60Hz high-resolution display

Supporting up to 4K @ 60Hz, the adaptor delivers a stunning visual experience with crystal clear picture quality and vibrant multi-channel digital surround sound.

Extend and mirror modes

The adaptor supports both extend and mirror modes, allowing you to either mirror the display of your USB-C equipped device on to a TV or monitor, or connect it as a second display.

Simple plug-and-play connection

Connect the adaptor to the USB-C equipped device and an HDMI cable to the other end, and you're ready to go - no driver installation required.

Universal compatibility

The adaptor offers universal compatibility, supporting Windows, Mac and Chrome OS. It is also backwards compatible with 720p HD and Full 1080p HD resolutions.

Perfect companion

Premium brushed aluminium casing perfectly complements your laptop and monitor, seamlessly combining durability, quality and style.
